(1) FF is an authorized reseller of the eBN Products, which are provided by eBenefits Network LLC. (2) The eBN Products transmit Customer Data outside the FF and Force.com systems, through eBN’s network, to benefit insurance carriers and providers selected by Customer. FF will cause eBN to maintain appropriate administrative, physical, and technical safeguards for protection of the security, confidentiality and integrity of Customer Data. Because the eBN Products do not run on the Force.com platform, no other security or data protection measures described in the MSA apply to the eBN Products. (3) Notwithstanding anything to the contrary in the MSA, the only uptime commitment made by FF for the eBN Products is its standard uptime commitment in the “Our Responsibilities” section of the FF online Master Subscription Agreement at http://www.financialforce.com/msa. (4) eBN may survey Users to determine User satisfaction with the level and quality of the eBN Products. (5) In no event will FF’s liability to Customer in connection with eBN products exceed the amount paid by Customer for the eBN Products under the applicable Order Form. (6) Any renewal of the eBN Product subscriptions under this Order Form is subject to the continuing availability of the eBN Products for resale by FF. (7) If the agreement between eBN and FF terminates, any eBN Product subscription under the applicable Order Form exceeding three years will be subject to termination; FF will provide Customer a pro rata refund of any fees prepaid for such terminated subscriptions.</p>
